

# McHENRY COUNTY | Economic Development FOUNDATION

*Education. Innovation. Empowerment.*

**Creating Educational Opportunities**  
for McHenry County's workforce of the future

**Encouraging Innovation and Entrepreneurship**  
in ideas, products and processes

**Enhancing Career Growth**  
for our county's talent pipeline

**The Foundation** is working diligently to enhance, encourage and empower the labor pool in our county. Your financial support assists our efforts, programs and initiatives for our youth, emerging products and ideas and career growth for our workforce.

**Please consider a donation today**

|                                     |                                  |                                       |                                     |      |
